**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that support broadband competition. It makes the market healthier and provide us the consumer more choices. As a competitive providers customer, I can say that they provide a better service at tea better price than a major provider. The area I live stick to only limited providers. If the competitive provider is gone the price for our service will increase. We dont want that.
